

2nd Annual Goderich Rotary Charity Golf Tournament

*Friday, September 24, 2021 * Goderich Sunset Golf Club *

The Rotary Club of Goderich is pleased to announce this year's partnership with The Lake Huron Centre for Coastal Conservation in support of their Coast Watchers Citizen Science Program. LHCCC is a charitable foundation established in 1998 with the goals of protecting Lake Huron's coastal environment and supporting a healthy coastal ecosystem through education, restoration and research. Their Coast Watchers Citizen Science Program engages local communities to monitor coastal conditions and record environmental data as the eyes and ears protecting our lakeshore. Proceeds from our golf tournament will support developing a mobile software app to facilitate data collection. In 2021 we are returning to Goderich Sunset Golf Course in a safe and socially-distanced format. Like last year's tournament, we will play a crossover event in a scramble format with each group assigned a tee time between 11:00am and 1:00pm starting on either hole 1 or hole 10. We will follow all COVID19 protocols to ensure that every participant safely enjoys the event. Safety protocols will be posted at the course on the day of the tournament.

FOR PLAYERS:

Our day-long tournament includes an 18-hole scramble with a cart, on-course challenges and prizes, and Lynn's special, boxed take-away dinner at the end of your round. The Half-Way House will be open for purchasing food and refreshments throughout the day. Tax receipts will be provided with each golfer registration.
